

10 Helpful Tips When Purchasing Facultative Reinsurance

Placing reinsurance with Munich Reinsurance Company of Canada (MROC) is easy and straightforward:

1. Contact us by phone, fax or e-mail.
2. Provide full underwriting information for analysis of the risk including any sales split for Canada, U.S.A. and Foreign.
3. Provide a five year loss record.
4. Ensure all applications and surveys, if available, are fully completed. Avoid sending same with "known to insurer" or "see attached" or with questions unanswered.
5. Provide brief description of principal locations including construction age, number of stories, fire protection and occupancy. Include an inspection, narrative or brochure, if available.
6. Advise your terms, conditions, retention and participation required. Please include expiring terms and premium.
7. Provide the status and history of the account including broker relationship.
8. Confirm binding with our participation, premium, effective date, expiry date and policy number.
9. Use our reference number on correspondence and advise us of any changes.
10. Review our certificate for terms, conditions and premium that were purchased.

To save both time and money, appropriate information will ensure we can continue to provide rapid replies to you in meeting your reinsurance requirements.
